

Scarecrow Eyes

By: Brod Bagert

**I shut my eyes, I shut them tight,
That scarecrow was a scary sight-
Scary body! Scary face!
My classroom was a scary place.**

**But then I looked and soon I saw,
That scarecrow was all stuffed with straw!
Straw-stuffed body...straw-stuffed face...
My classroom was a happy place.**

**Giggle, giggle with delight,
A scarecrow is a scary sight,
But if you look and do not run
You'll see that scarecrows can be fun.**
